Threat of Force

TOO OF l.o.

The announcement by the United Nations of the threat of force against any country that would not comply with the demands of the United Nations, has caused a great deal of concern in the international community. The United Nations has been working towards peace and security for many years, and the threat of force is a serious step in their efforts to maintain international peace.

E. Wilkinson, leader of the Opposition, has called for a vote of confidence in the Prime Minister, but the government has so far refused to accept the challenge. The situation is tense, and there is a real possibility of conflict between the United Nations and the countries they have demanded to comply.

Report To Parliament On New Guinea

C. A. U. N.
