## RELINQUISHMENTS DURING THE YEAR UNDER REVIEW

Long leases: one by a European: area 41.65 hectares (Hollandia)

Building leases: six by Europeans: area 7.48 hectares (Hollandia)

Withdrawn by the Government because of failure to observe the obligation to build imposed upon issue with a real right.

Building leases: one by an Asian, area 0.54 hectares (Hollandia)

During the year under review no replacement or renewal took place of the originals of deeds, as contemplated by the 'Emergency Provisions, Transfer and Registration Ordinance 1948' (Dutch East Indies Government Gazette 1948-54).

## NOTES

A number deviations from the figures for 1958 were unavoidable, since the basic material used for the statistics for 1958 could not then be entirely processed in accordance with the Standard International Trade Classification, which was, however, done for 1959 and 1960.

- a) Oil-seeds, oil nuts and oil kernels have been included under animal and vegetable oils and fats.
- b) Mineral tar and crude chemicals from coal, petroleum and natural gas have been included under mineral fuels, lubricants and related materials.
- c) Base metals and manufactures of metals have been combined.
- d) Prefabricated buildings, sanitary and lighting fixtures and fittings have been included under base metals and manufactures of metals.
- e) Metal furniture has not been included under furniture but under base metals and manufactures of metals.
- f) Travel goods etc. of leather and cloth have been included respectively under leather, leather manufactures and dressed furs and textile yarn, fabrics and made-up articles, excluding clothing and footwear.
